Electronic

MUSICIAN

To help you get the most out of your new Mimetics purchase, **Mimetics** and *Electronic Musician* offer you a **FREE** trial issue and a half-price subscription to *Electronic Musician* magazine.

Electronic Musician is your complete guide to the latest equipment and techniques with a special emphasis on how to incorporate them into your work. Edited by popular musician/author Craig Anderton, *Electronic Musician* addresses topics of vital importance to contemporary musicians, composers, recording enthusiasts and computer/music hobbyists.

Every month, *Electronic Musician* brings you a wealth of information on MIDI, synthesizers, electronic percussion, electric guitars, signal processors, computers, music software, personal recording equipment, useful circuits and instrument modifications, product reviews, and how leading artists and engineers use the new technology.

SPECIAL OFFER

Send in the attached card today to receive a **FREE** issue and to reserve an additional 11 issues at the special rate of \$11 (\$21 foreign). You'll **save 50 percent** off the regular subscription price! If you're not completely satisfied with the first issue, simply write "cancel" on your invoice and that will be the end of the matter. The first issue will be yours to keep.
